A girl can't progress in learning the other skills until they can throw properly and catch the ball. Hitting will come later when the coach pitches at mid-season.
- Keep up the level of enthusiasm. Cheer your opponent as well as your own team. Get the adrenalin flowing. Girls who leave with enthusiasm will return with enthusiasm.

- Make up your lineup and batting order before the game. You can always adjust if someone doesn't show up. Have the girl's sit in batting order so they are ready to go.

- A. A pitcher may pitch a maximum of four (4) innings per game, no more than two (2) consecutive innings shall be pitched. There are no per week pitching limitations.
- B. In the event of a tie game and extra innings are played, a pitcher may pitch more than the maximum of four (4) innings per game and these extra innings are “free” innings. A pitcher may NOT enter a game for the third (3<sup>rd</sup>) time in extra innings.
- C. A pitcher may re-enter the game one time provided her maximum of four (4) innings have not been met.
- D. One pitch in an inning shall be counted as a complete inning pitched.
- E. A pitcher shall be removed from the mound when she hits three (3) batters in a given game. Pitched balls hitting the ground prior to hitting a batter will not be considered a hit batter for the purpose of removing the pitcher. This rule applies to all innings pitches in a game, including any extra innings.
- F. If a batter is struck by a pitch, **directly or indirectly (hit ground first), the batter shall be awarded first base**. The batter must make every effort to get out of the way of the pitch. If this is not done, the pitch will be considered a ball and a base will not be awarded. This is at the discretion of the umpire.
- G. A pitched ball that is thrown out of play from the mound while in the act of pitching to the batter shall be considered a “ball”.
- H. PIAA pitching rules will be used and enforced.
  - I. Pitcher must be removed after two trips to the mound per inning from either a coach or player(s).
  - II. A maximum of three trips, from either a coach or player(s), are allowed per game.

- J. The strike zone shall be the shoulder to the top of the knees including the white and black portions of the plate.

## → **Base Running**

- A. Play concludes when the ball is in possession of the pitcher in the circle.
- B. Overthrows
  - 1) Infielder/Outfield throws to a bag but overthrows the bag
    - a) Players can advance **one** base on all overthrows made to **any** base at the runners own risk unless the ball goes out of play. If the ball goes out of play the runner is awarded the next base as per PIAA rules.
    - b) No advancement may take place on a return throw from the catcher or infielder to the pitcher once they have firm possession and control of the ball.
    - c) No advancement may take place on an overthrow on a stolen base.
  - 2) A base runner **MAY NOT** leave the base until a pitched ball passes the plate. Runners must return to the base immediately when the ball is returned to the pitcher. If the base runner leaves the base early the umpire shall issue a warning. There will be three (3) warnings issued per team per game. After the third (3<sup>rd</sup>) warning, the umpire shall declare the runner out.
  - 3) A collision rule shall be in effect. A deliberate collision shall result in that player being ejected from the game. A collision is defined as a violent coming together of

two bodies. **Running into the catcher's arm while she is attempting to make a tag or the brushing of the catcher by a runner is incidental contact. NOT A COLLISION.**

- 4) An Obstruction Rule shall be in effect.
  - a) A fielder may not block the base unless she is in the possession of the ball. A runner must slide or give herself up if the fielder is blocking the base while in the possession of the ball. If fielder is blocking the base while not in possession of the ball and any contact, incidental or otherwise occurs, an obstruction shall be declared and the runner shall be awarded the base
  - b) **Plays at the plate** - In the event of a play at the plate the catcher **MUST** be positioned **IN FRONT** of the plate when not in possession of the ball and **MUST** allow the runner complete access to the plate. If the throw takes the catcher into the path of the base runner and a collision or incidental contact occurs the runner will be awarded the plate. ***The fielder has the right on a batted ball, the runner on a thrown ball.*** Possession is defined as the fielder actually holding the ball in her hands or glove A thrown ball on the way to the plate that has not yet been fielded IS NOT possession.
  - c) This does not apply to a force play at the plate. In this instance the catcher may place one foot on the plate but must allow the runner access to the plate. **Plays at second or third base** – The fielder MAY NOT stand with her foot on the base while awaiting a throw or making a tag. She **MUST** allow direct access to the base. The proper positioning on a tag play is for the fielder to straddle the base, catch the ball and put her glove down in front of the base.
  - d) PIAA RULE for Double First Base
    - The defensive team may only retire the batter/runner using the white base when the throw is on or inside the baseline. In the event that the throw is outside of fair territory the fielder may use the orange base.
  - e) Sliding is strongly encouraged when the runner is in the act of attempting to achieve a base or when the fielder is in possession of the ball before she gets to the base.
- 5) Courtesy runners **MUST** be used when the catcher is on base and there are one or more outs. A courtesy runner may be used for the pitcher when there are two outs. The courtesy runner will be the last person to make out.
- 6) Each team will be allowed ten (10) attempts stealing, including home plate, per game from any base. Double steals will be counted as two (2) steals. In the event of extra innings each team will be given two steal attempts per each extra inning. **NOTE:** If you only used under 10 steal attempts previously those are lost. Extra innings start fresh with each team getting two steal attempts per every inning played after the 6<sup>th</sup> inning.
  - The scorekeeper/coach shall declare when a given team is out of steals. One warning will be given for an attempted steal after the limit has been obtained by returning the offender to her prior base. Additional attempts will be considered an out
- 7) A **steal is defined** as any advancement on a pitched ball. This advancement must take place when the ball crosses the plate and must be a direct and expedient (running) attempt to achieve the next base. Walking, moving slowly or shuffling toward the next base is not defined as expedient. If the runner does not proceed expediently (running) toward the next base she must return to her previous base.
- 8) No delayed steals will be allowed. A runner may not advance when the catcher

throws the ball back to the pitcher for the purpose of resuming play. If the offensive team tries a delayed steal, the runner will be declared out.

- 9) Double steals are permitted and will count as two (2) steals.
  - In the case a team has nine (9) steals with runners on bases other than third base where the team attempts to steal home and the trailing runner(s) follows, the play stands with the runner attempting to steal home, however the runners will need to be returned to their original base without penalty. No advancement may take place by any runner when the catcher is attempting to throw a runner out who is attempting to steal. No advancement on the overthrow.
- 10) If a runner is thrown out at home plate and the trailing runner has not proceeded directly to third (3<sup>rd</sup>) base, she must return to second (2<sup>nd</sup>) base.
- 11) Pickoff plays – can be made, but with consequences. The runner has to go back to the base when a pick off throw is attempted. If the ball is caught or touched the runner cannot proceed to the next base. If the ball sails untouched the runner can advance one base at her own risk. **Each runner that moves up a base will count towards the steals.**

**CLARIFICATIONS:** Runner on 1<sup>st</sup> and 2<sup>nd</sup> where both runners attempt to steal the next base on a pitched ball. This counts as a double steal (2).

There is no advancement on overthrows.

01. If a runner is thrown out at third (3<sup>rd</sup>) base and the trailing runner has not proceeded directly to second (2<sup>nd</sup>) base, she must return to the first (1<sup>st</sup>) base
02. The scorekeeper/coach shall declare when a given team is out of steals. **ONE** warning will be given for an attempted steal after the limit has been obtained. After this the play will be called dead and the runner called out.
03. If a game is tied at six (6) innings, each team will receive two (2) additional steals for each inning starting with the seventh (7<sup>th</sup>) inning. All steals left from the first six (6) innings will be lost.

## → **Defense/Fielding**

- A. There will be ten (10) defensive players. They are the pitcher, catcher, four infielders and four outfielders.
- B. The outfielders must be positioned a minimum of fifteen (15) feet behind the baseline prior of the start of the play.
- C. Outfielders cannot cover or run to a base for the purpose of making a putout.
- D. At the start of each pitch and until the pitcher releases the ball, each infielder shall be in their assigned playing position, which cannot be more than 5 feet in front of the base bag. Failure to comply will result in a warning, and then the results of the play or the pitch begin declared a ball.
  - 1) Exception: Infielders may leave their assigned position when a batter has committed to bunt.
- E. Catcher's interference will be enforced. The offensive team will have the option to choose between the result of the play or award of first (1<sup>st</sup>) base. An umpire may move

  - G. The pitcher will be allowed a maximum of **five (5)** warm-up pitches prior to the start of their first appearance and **three (3)** each inning after the first appearance.
  - H. Fielders are not permitted to stand in the baseline at the start of each pitch. This rule applies only when runners are on base, or going to the affected bases.
  - I. Infield fly rule **DOES NOT** apply

## → **Game Conduct**

- A. Cheering
  - I. Players from the offensive team will be allowed to cheer for the batter and the batter only, until the pitcher steps on the mound and addresses the plate. At this point the offensive team must cease cheering. This rule shall apply to the offensive team's coaches and fans. After one warning has been given, the offending team's head coach will be ejected.
- B. Coach and Player Conduct
  - I. Any coach or player ejected from a game is automatically suspended from their next game. The ejected person will not be allowed to participate, coach or attend the game.
  - II. Assistant coaches will be permitted to coach the other team's players if it is done in a positive manner. They may not address or engage the opposing team's coaches or the umpire(s). Arguing or discussing any rule or call with the umpire will result in a warning. A second offense shall result in a suspension of no less than two (2) games. The warning will be carried forward for the balance of the season. **ONLY THE HEAD COACH MAY APPROACH THE UMPIRE(S).**
- C. Parents on the Field
  - I. Any parent who steps on the field of play for reasons other than an injury will be ejected from the game.
- D. Persons behind the Backstop
  - I. No one will be permitted behind the backstop. One warning will be issued by the umpire. On the second offense, the offending team will be assessed an out.

## → **Post Season**

- A. All playoff games must be played in their entirety. Any game that isn't completed will be completed the following night. In the event there is a game scheduled the following night, the incomplete game will take precedence and shall be completed prior to the start of the regularly scheduled playoff game.
- B. Team eligibility
  - I. The designated number of teams from each division or conference will be eligible for the playoffs (see below)
  - II. In the event a balanced schedule has been played and a fifth (5<sup>th</sup>) place team in one division has a better record than the fourth (4<sup>th</sup>) team in the other division, a play-in game between them will be held with the winner qualifying for the playoffs as the fourth (4<sup>th</sup>) seed. This would apply to fourth (4<sup>th</sup>) and third (3<sup>rd</sup>) place in the event three teams qualify from each division.

- III. In the event of an unbalanced schedule, a one-half (1/2) game differential in the final standings caused by one team having an additional regularly scheduled game, shall be considered a tie for the standings position in question.
    01. Example: One team finishes the season with an 8-8 record and a second team has an 8-7 record.
  - IV. After the first round of playoffs have been completed, the seeding of the remaining teams will be established as follows:
    01. Season record
    02. Head-to-Head competition
    03. Divisional Playoff winning percentage
    04. Runs allowed
    05. Coin Toss
- C. Player Eligibility
- I. A player must play in at least one half (1/2) of the regular season games. In the event of injury the player will be given credit for a game played provided she attend her team's game and signs the scorebook.

### → **THINGS TO KEEP IN MIND**

- Make the game important to the girls. They will respond in kind.
- Have the girls arrive a minimum of 30 minutes before the game. Have them take warm-ups to prepare themselves for the game. If you make the preparation important the game will be even more important.
- Concentrate on teaching the fundamentals, particularly throwing and catching the ball. It's imperative that these two skills be learned. A girl can't progress in learning the other skills until they can throw properly and catch the ball. Hitting will come later when the coach pitches at mid-season.
- Keep up the level of enthusiasm. Cheer your opponent as well as your own team. Get the adrenalin flowing. Girls who leave with enthusiasm will return with enthusiasm.
- Positive reinforcement is the key. Have a lot of patience. Remember, they know absolutely nothing about the game. If they learn that it's fun from you, it'll be fun. Remember, the girls must have fun.
- Every girl needs to think that's she's important and that she belongs (so do we). Every girl needs a "win", good throw, good catch, good hit, etc.. Cheer her accomplishments and have her teammates do so as well.
- Be cognizant of the tone and volume of your voice. You don't want to scare some of the girls. Be aware of their reactions when you speak to them.
- Play little games with them. Challenge them to see if they can make 3 outs before the other team has batted all of their batters. When accomplished, challenge them to do it a second time.

- Remove the batter from first base if she is made out. Some girls will be upset and cry because they think they've failed or done wrong. Use some psychology here and explain that they had a good hit, it's just that the fielder made a very good play.
- Make it fun. If it's not fun they won't be back. Don't take things too seriously and remember they will feed off of your attitude. Be well organized, keep things moving.
- Make up your lineup and batting order before the game. You can always adjust if someone doesn't show up. Have the girls sit in batting order so they are ready to go.
- Have numerous coaches to assist. This will keep the girls motivated and ready to go. One Hour practices are plenty enough time, as long as you have help. You can break down into numerous stations. If you are having a great practice you can go longer.
- Make sure your girl's hustle on and off the field between innings and at practice going out to their positions.

## → **INSTRUCTIONS**

- **Play all the games**. It's a very short schedule
- **Check with your coordinator** to make sure the **field is available** on your scheduled home dates. The other age levels have started and it's possible games have been moved on the field you are using.
- In the event of rain call the opposing coach a minimum of 1 ½ hours prior to scheduled game time in order to cancel the game. Reschedule the game as soon as possible.
- The schedule and directory will be posted on the league's website. The website is [elvsoftball.org](http://elvsoftball.org)
- If you have any rule questions please email or call the 5th/6th Grade Statistician.
- All contacts with opposing coaches are to be DIRECT VERBAL contacts. DO NOT make any game changes by email or voicemail. Doing so is a recipe for disaster. If you want to email in advance, make sure you get confirmation, if not call the coach and make sure you speak.
- **The Winning team is to notify your statistician when the game has been played with the scores from both teams and pitching information. Also, any issues and problems with games or other coaches.**

- L. In the event of a tie game and extra innings are played, a pitcher may pitch more than the maximum of four (4) innings per game and these extra innings are "free" innings. A pitcher may NOT enter a game for the third (3<sup>rd</sup>) time in extra innings.
- M. A pitcher may re-enter the game one time provided her maximum of four (4) innings have not been met.
- N. One pitch in an inning shall be counted as a complete inning pitched.
- O. A pitcher shall be removed from the mound when she hits three (3) batters in a given

game. Pitched balls hitting the ground prior to hitting a batter will not be considered a hit batter for the purpose of removing the pitcher. This rule applies to all innings pitches in a game, including any extra innings.

- P. If a batter is struck by a pitch, **directly or indirectly (hit ground first), the batter shall be awarded first base.** The batter must make every effort to get out of the way of the pitch. If this is not done, the pitch will be considered a ball and a base will not be awarded. This is at the discretion of the umpire.

### → **Base Running**

- A. A base runner may leave the base when the ball is released by the pitcher. The runner must immediately return to the base when the pitcher is in possession of the ball while standing in the circle. If the base runner leaves the base early the umpire shall issue a warning. The second (2<sup>nd</sup>) occurrence will result in the runner being called out.
- B. Delayed steals will not be permitted. If the offensive team tries a delayed steal, the runner will be called out. **Delayed steal is defined as when the ball is being returned from the catcher or infielder to the pitcher.**
  - I. Example: If the catcher makes a poor throw to the pitcher, the runners may advance. This rule applies to an overthrow from any position on the field. A ball that is caught, bobbled, or dropped by the pitcher or any fielder is NOT considered an overthrow. A ball that does not leave the circle is NOT considered an overthrow.
  - II. Pitcher must receive the ball back from the catcher within the circle, or else the ball is considered live. **The batter-runner cannot be frozen at first base on a base-on-balls by merely returning the ball to the pitcher in the circle.** The batter-runner after reaching first base may continue on, without stopping, in an attempt to reach second base. Said runner may stop in the baseline after rounding first base. At this point, the umpire should begin a three-second count on the runner. If the runner again begins movement to advance or retreat before the count reaches "three" and does not stop again, this is a legal action and should not be penalized. **However, if the runner stops a second time, without an attempt by the defense, that runner is out immediately.**
- C. [Look Back Rule Clarification](#)
- D. A play is not considered "dead" when the ball is in secure possession of an infielder. She has to either make a play at a base or return the ball to the pitcher in the circle. Once the pitcher has the ball in the circle, the runner must return to her original base.
  - I. Example: If a runner is one (1) step from second (2<sup>nd</sup>) base when the pitcher gains possession of the ball in the circle, the runner is entitled to 2<sup>nd</sup> base. If the runner is one step past second (2<sup>nd</sup>) base, she has the option to proceed to third (3<sup>rd</sup>) base, and the defense has the option to make a play on her. If the

- runner stops or hesitates after touching 2<sup>nd</sup> base, she must return to 2<sup>nd</sup> base.
- E. A collision rule shall be in effect. A deliberate collision shall result in that player being ejected from the game. A fielder may not block the base unless she is in the possession of the ball. A runner must slide or give herself up if the fielder is blocking the base while in the possession of the ball.
- I. If fielder is blocking the base while not in possession of the ball and any contact, incidental or otherwise occurs, an obstruction shall be declared and the runner shall be awarded the base.
- F. Sliding is strongly encouraged.
- G. Courtesy runner MUST be used when the catcher is on base and may be used for the pitcher and there are two outs. The courtesy runner will be the last person to make an out.

#### H. Stealing

- I. Each team will be allowed fourteen (14) attempts stealing, including home plate, per game from any base. Double steals will be counted as two (2) steals. In the event of extra innings each team will be given two steal attempts per each extra inning. NOTE: If you only used 10 steal attempts previously those are lost. Extra innings start fresh with each team getting two steal attempts per every inning played after the 7<sup>th</sup> inning.
04. **A steal is defined as any advancement on a non-batted ball.**
05. No delayed steals will be allowed. A runner may not advance when the catcher throws the ball back to the pitcher for the purpose of resuming play. If the offensive team tries a delayed steal, the runner will be declared out.
06. All runners may advance one base when the catcher is attempting to throw a runner out who is attempting to steal. The ball is considered live where the baserunner may advance one additional base at their own risk if the throw is misplayed. This additional advancement does not count against the steal totals.

**CLARIFICATIONS:** Runner on 1<sup>st</sup> and 2<sup>nd</sup> where both runners attempt to steal the next base on a pitched ball. This counts as a double steal (2). The catcher then attempts to throw the runner advancing to third where the ball sails into left field. The runner originally on second can advance to home at her own risk and the original runner on first can advance to third at her own risk with no additional steals counted. Runner on 1<sup>st</sup> and 2<sup>nd</sup> where the runner on second attempts to steal 3<sup>rd</sup> base on a pitched ball. The runner on 1<sup>st</sup> initially only takes her lead and watches the play develop. The catcher then attempts to throw out the runner advancing to third base and the ball sails into left field. The runner originally on second can advance to home at her own risk with no additional steals being charged. The runner on first base can advance no further than third base. However, while her initial move was not to steal second base while the catcher is putting the ball in play, her advancement to second base will count as a steal. Her advancement to third base will not be counted as a steal.

07. If a runner is thrown out at third (3<sup>rd</sup>) base and the trailing runner has not proceeded directly to second (2<sup>nd</sup>) base, she must return to the first (1<sup>st</sup>)

base

08. The scorekeeper/coach shall declare when a given team is out of steals. **NO** warning will be given for an attempted steal after the limit has been obtained as the play will be called dead and the runner called out.
  09. If a game is tied at 7 innings, each team will receive two (2) additional steals for each inning starting with inning 8. All steals left from the first 7 innings will be forfeited.
- I. Pick-off plays will be permitted at all bases. The ball is live on a pickoff throw and the ball must be returned to the pitcher in the circle to stop play. There is no limit on the number of bases a runner can advance. Runner continues to advance at her own risk.
01. Any advancement on a pick-off play is NOT considered an attempted steal and will not count towards the number of maximum steals allowed per game.
- J. The ball will become live if the return throw to the pitcher from the catcher leaves the circle.
- K. When the catcher attempts to throw out a runner on a dropped third strike the ball becomes live until it is returned to the pitcher. Any runner not forced to move will be considered a stolen base. If a runner illegally advancing to first base on a dropped third strike confuses the catcher and draws a throw the umpire may declare the lead base runner out on an interference.

### → **Defense/Fielding**

- J. There will be nine (9) defensive players
- K. The outfielders must be positioned a minimum of twenty (20) feet behind the baseline prior of the start of the play.
- L. Catcher's interference will be enforced. The offensive team will have the option to choose between the result of the play or award of first (1<sup>st</sup>) base. An umpire may move the catcher at his/her discretion for safety reasons.
- M. Catchers must make an effort to accurately throw the ball back to the pitcher. Rolling the ball will not be allowed.
- N. The pitcher will be allowed a maximum of **five (5)** warm-up pitches prior to the start of their first appearance and **three (3)** each inning after the first appearance.
- O. Fielders are not permitted to stand in the baseline at the start of each pitch. This rule applies only when runners are on base, or going to the affected bases.
- P. Infielders are not restricted to starting position within the diamond, and may play up to deter the bunt. It is recommended that infielders wear masks if routinely playing up in bunting/non-bunting situations.
- Q. Infield fly rule **DOES** apply

### → **Game Conduct**

- E. Cheering
- II. Players from the offensive team will be allowed to cheer for the batter and the batter only, until the pitcher steps on the mound and addresses the plate. At this point the offensive team must cease cheering. This rule shall apply to the

offensive team's coaches and fans. After one warning has been given, the offending team's head coach will be ejected.

F. Coach and Player Conduct

- III. Any coach or player ejected from a game is automatically suspended from their next game. The ejected person will not be allowed to participate, coach or attend the game.
- IV. Assistant coaches will be permitted to coach the other team's players if it is done in a positive manner. They may not address or engage the opposing team's coaches or the umpire(s). Arguing or discussing any rule or call with the umpire will result in a warning. A second offense shall result in a suspension of no less than two (2) games. The warning will be carried forward for the balance of the season. **ONLY THE HEAD COACH MAY APPROACH THE UMPIRE(S).**

G. Parents on the Field

- II. Any parent who steps on the field of play for reasons other than an injury will be ejected from the game.

H. Persons behind the Backstop

- II. No one will be permitted behind the backstop. One warning will be issued by the umpire. On the second offense, the offending team will be assessed an out.

→ **Post Season**

D. All playoff games must be played in their entirety. Any game that isn't completed will be completed the following night. In the event there is a game scheduled the following night, the incomplete game will take precedence and shall be completed prior to the start of the regularly scheduled playoff game.

E. Team eligibility

- V. The designated number of teams from each division or conference will be eligible for the playoffs (see below)
- VI. In the event a balanced schedule has been played and a fifth (5<sup>th</sup>) place team in one division has a better record than the fourth (4<sup>th</sup>) team in the other division, a play-in game between them will be held with the winner qualifying for the playoffs as the fourth (4<sup>th</sup>) seed. This would apply to fourth (4<sup>th</sup>) and third (3<sup>rd</sup>) place in the event three teams qualify from each division.
- VII. In the event of an unbalanced schedule, a one-half (1/2) game differential in the final standings caused by one team having an additional regularly scheduled game, shall be considered a tie for the standings position in question.
  - 02. Example: One team finishes the season with an 8-8 record and a second team has an 8-7 record.
- VIII. After the first round of playoffs have been completed, the seeding of the remaining teams will be established as follows:
  - 06. Season record
  - 07. Head-to-Head competition
  - 08. Divisional Playoff winning percentage
  - 09. Runs allowed
  - 10. Coin Toss

F. Player Eligibility

- II. A player must play in at least one half (1/2) of the regular season games. In the

event of injury the player will be given credit for a game played provided she attend her team's game and signs the scorebook.

## → **THINGS TO KEEP IN MIND**

- Make the game important to the girls. They will respond in kind.
- Have the girls arrive a minimum of 30 minutes before the game. Have them take warm-ups to prepare themselves for the game. If you make the preparation important the game will be even more important.
- Concentrate on teaching the fundamentals, particularly throwing and catching the ball. It's imperative that these two skills be learned. A girl can't progress in learning the other skills until they can throw properly and catch the ball. Hitting will come later when the coach pitches at mid-season.
- Keep up the level of enthusiasm. Cheer your opponent as well as your own team. Get the adrenalin flowing. Girls who leave with enthusiasm will return with enthusiasm.
- Positive reinforcement is the key. Have a lot of patience. Remember, they know absolutely nothing about the game. If they learn that it's fun from you, it'll be fun. Remember, the girls must have fun.
- Every girl needs to think that's she's important and that she belongs (so do we). Every girl needs a "win", good throw, good catch, good hit, etc.. Cheer her accomplishments and have her teammates do so as well.
- Be cognizant of the tone and volume of your voice. You don't want to scare some of the girls. Be aware of their reactions when you speak to them.
- Play little games with them. Challenge them to see if they can make 3 outs before the other team has batted all of their batters. When accomplished, challenge them to do it a second time.
- Remove the batter from first base if she is made out. Some girls will be upset and cry because they think they've failed or done wrong. Use some psychology here and explain that they had a good hit, it's just that the fielder made a very good play.
- Make it fun. If it's not fun they won't be back. Don't take things too seriously and remember they will feed off of your attitude. Be well organized, keep things moving.
- Make up your lineup and batting order before the game. You can always adjust if someone doesn't show up. Have the girl's sit in batting order so they are ready to go.
- Have numerous coaches to assist. This will keep the girls motivated and ready to go. One Hour practices are plenty enough time, as long as you have help. You can break down into numerous stations. If you are having a great practice you can go longer.

- Make sure your girl's hustle on and off the field between innings and at practice going out to their positions.

## → **INSTRUCTIONS**

- **Play all the games.** It's a very short schedule
- **Check with your coordinator** to make sure the **field is available** on your scheduled home dates. The other age levels have started and it's possible games have been moved on the field you are using.
- In the event of rain call the opposing coach a minimum of 1 ½ hours prior to scheduled game time in order to cancel the game. Reschedule the game as soon as possible.
- The schedule and directory will be posted on the league's website. The website is [elvsoftball.org](http://elvsoftball.org)
- If you have any rule questions please email or call the 5th/6th Grade Statistician.
- All contacts with opposing coaches are to be DIRECT VERBAL contacts. DO NOT make any game changes by email or voicemail. Doing so is a recipe for disaster. If you want to email in advance, make sure you get confirmation, if not call the coach and make sure you speak.
- **The Winning team is to notify your statistician when the game has been played with the scores from both teams and pitching information. Also, any issues and problems with games or other coaches.**

**[Click Here to Report that your game has been played](#)**

**IF THE MAJORITY OF PLAYERS RETURN NEXT SEASON, YOU'VE DONE YOUR JOB VERY, VERY WELL. WE DON'T WANT TO LOSE PLAYER, BEFORE THEY'VE HAD THE OPPORTUNITY TO LEARN AND ENJOY THIS GREAT GAME OF SOFTBALL!**
